“Cherubs, Shepherds, Kings...” presents 20 songs and chorals in different arrangements which form an appealing mix for a contemplative attunement to Christmas. Both the change between organ and choir music and the diversity of the repertoire add to the colorful facets of this compilation. The extensive and noble sound of the Klais Organ and the different timbres of the Girls’ and Boys’ Choir Cantus Iuvenum and the Chamber and Oratorio Choir of the Christuskirche Karlsruhe are shown to their best advantage. A (pre-)Christmassy concert for home use.
