

Carl Philipp Stamitz: Quartets for Clarinet

aud 92.661

EAN: 4022143926616

Audiophile Audition (Daniel Coombs - 2013.05.01)

AUDIOPHILE AUDITION

The performances are all wonderful. In particular, I have never heard Arthur Campbell before. He was a student of the great Robert Marcellus and has lovely, focused but warm tone. The string players, Gregory Maytan, Paul Swantek and Pablo Mahave-Veglia are equally skilled. This is a very enjoyable disc that clarinetists for sure and all lovers of chamber music would appreciate!
