Authoritative performances of Tchaikovsky's Piano Trio in A minor and Rachmaninov's Trio élégiaque No. 1 from Trio Testore on a new release from Audite

This is as fine a performance of the Tchaikovsky Trio that you'll ever find with these players putting their hearts and souls into the music. The engineers provide a fine recording in the acoustic of the Jesus-Christus-Kirche, Berlin-Dahlem, Germany the venue for so many fine recordings. There are informative notes.
